### We recommend...

1

#### **Courtney Buses 194**

Bracknell - Crowthorne - Sandhurst - Camberley

This trunk route showcases the best of the award-winning operator's service offering. Featuring Jungle Book-named, racing green-liveried buses fitted with free WiFi, the route has withstood its competition and now provides a half-hourly link between the west of Berkshire and Surrey.

#### **Reading Buses Lion 4/X4**

Bracknell - Southern Estates/John Nike Centre - Wokingham - Reading

Relaunched as the Lion in 2015 upon takeover from First Berkshire, Reading Buses have grown patronage over this corridor significantly. No doubt thanks to the refreshed focus on marketing and reliability; buses are equipped with free WiFi and USB charging points as Reading Buses standard.
