We recommend...

1

Arriva Southern Counties 133

University of Essex - Colchester - Braintree - Stansted Airport

Previously branded as sxconnect - service 133 was brought back under standard Arriva livery, following the reorganisation and 'tidying up' of Arriva's operations in the South East. This main part of this service now runs between Braintree and the airport for the majority of the day.

Stephensons of Essex 'three rivers' 38/38A

Witham - Braintree - Bocking - Halstead

Stephensons are a shining example of an entrepreneurial independent operator. Their recent fleet investment levels parallels (and in some cases, exceeds) that of their 'big player' counterparts. In 2015, five new buses were purchased for this service, marketed as 'three rivers'.
