

Home Counties Buses

Chelmsford

We recommend...

1

First Essex X10

Stansted Airport - Chelmsford - Wickford - Basildon

Running hourly from Basildon, the X10 operates 23 hours a day, 364 days a year using brand new midibuses. Interestingly, their replacement of coaches was categorised by the company as an improvement; it's definitely worth a ride to see if you arrive at the same conclusion as them.

2

First Essex 100

Chelmsford - Billericay - Basildon - Grays - Lakeside

Hybrid bus operation isn't so prevalent outside of London, and even rarer is the operation of Volvo 7900H buses; these are the mainstay on service 100 and are presented in a First Hybrid livery. This hasn't been adopted elsewhere in UK Bus, so this service really is full of rarities!

3

Arriva Southern Counties 59

Chelmsford - Margaret Roding - Hatfield Heath - Harlow

Previously branded as sxconnect - service 59 was brought back under standard Arriva livery following the 'tidying up' of Arriva's operations in the South East. Out of all operated from Harlow, this service has seen the most frequent investment, and usually 'boasts' the garage's finest!

Buses also run from Chelmsford to...
