We recommend...

1

Courtney Buses 53

Bracknell - Maidenhead - Burnham - Wexham Park Hospital

Taken over from First Berkshire preceeding the 2015 closure of it's Bracknell depot, the 53 has been transformed with dedicated buses. If you're keen on fast rural travel (and these Optare Solos undertake just that when they're not negotiating country roads) then this is the route for you.

2

Arriva the Shires 37

Maidenhead - Bourne End - High Wycombe

Run from Arriva's High Wycombe depot, the 37 can turn out all sorts! Somehow, it's been the base for Arriva's expired stock from elsewhere in the Shires for a good number of years now. It's a route to traverse for it's less urban nature, and variety in vehicle allocation.
