St Albans

We recommend...

1

Metroline 84

New Barnet - Potters Bar - London Colney - St Albans

Metroline is London's second largest TfL operator, but runs a small collection of commercial services from its Potters Bar depot. The 84/84A is one such example, providing a rather scenic tour through South Hertfordshire countryside and villages.

Arriva Southern Counties 300/301

Stevenage - Welwyn Garden City - Hatfield - St Albans - Hemel Hempstead

On this stalwart corridor from the London Country era, Arriva provide buses every 15 minutes across the whole route. Vehicle investment is steady, but Stevenage garage never fail to disappoint the enthusiast - almost any bus can turn up on any route, and the 300/301 is no exception!
