## Windsor

### We recommend...

1

#### **First Berkshire Greenline 702**

Bracknell - Windsor - Slough - London Victoria

There aren't many Greenline routes left in the present. This service certainly hasn't stood firm in the past, though, and modern high-spec double decker buses run along the M4 motorway to and from Slough, and then to Windsor. Free WiFi and coach seats make the journey to London even nicer!

#### **White Bus Services (Fernhill Travel) 01**

Windsor - Great Park - The Sunnings - Ascot

It's not everyday that one can travel by bus through such a beautiful setting as Windsor Great Park, and this journey is one to behold. White Bus Services has operated the 01 route for many decades, albeit the routing has changed slightly since its acquisition for £100 back in December 1930.
