### We recommend...

1

#### Reading Buses Lion 4/X4

Reading - Wokingham - Southern Estates/John Nike Centre - Bracknell

Relaunched as the Lion in 2015 upon takeover from First Berkshire, Reading Buses have grown patronage over this corridor significantly. No doubt thanks to the refreshed focus on marketing and reliability; buses are equipped with free WiFi and USB charging points as Reading Buses standard.

2

#### Reading Buses Leopard 3

Wokingham - Arborfield Garrison - Shinfield - RBH - Reading

In the first year of Reading Buses operation on the Wokingham route (formerly Thames Travel 144), patronage growth was 56% year-on-year. Innovation runs at the heart of the municipal's operation, and this route boasts gas-powered full size single deckers, recently fitted with USB charging points.
